Child Safe Standard 3 – Children are safe, informed and actively participate						
Risk Title: Student Empowerment Description: There is a risk that students will not be empowered about their rights, participate in decisions affecting them or be taken seriously Risk type: Vulnerability	<ul style="list-style-type: none"> Students don't know how to make a complaint or raise a concern or don't feel confident that they will be listened to Students don't understand their rights Student input in decision making is not supported or valued Student contributions or concerns are not taken seriously Students are not offered sexual abuse prevention education Students are coerced or silenced by adults at the school Lack of friendship or peer support 	<ul style="list-style-type: none"> Abuse is more likely to happen if students do not feel supported to participate in decisions that affect them and do not feel like they will be listened to. Failure to empower students with information about their rights, child safety risks, and sexual abuse prevention will increase the risk of abuse going unidentified and unspoken If students do not feel confident or empowered to raise a concern, they will be unwilling to report abuse Lack of friendship or peer support may increase vulnerability to abuse Lack of friendship or peer support increases the risk that the student will not feel confident to discuss concerns with their peers, making it more likely that abuse will go unidentified and unspoken Physical and psychological harm as a result of child abuse 	<ul style="list-style-type: none"> Our Child Safety and Wellbeing Policy outlines the controls in place to support child and student empowerment and is implemented Complaints Policy details how students can raise complaints and concerns and is promoted widely to parents and students Student Wellbeing and Engagement Policy outlines the controls in place to ensure student wellbeing is supported and prioritised Students are provided with age-appropriate sexual abuse prevention programs and relevant related information through Family Matters Students are educated about their rights through BSEM Friendship and peer support are promoted through BSEM and through our lunchtime clubs program and the Collaborative Arts Program 	Yes	<p>Student Agency is a Strategic Plan priority at Kingsbury Primary School and this is also reflected in the School AIP.</p> <p>The Principal is responsible in 2024 for the Student Agency Protocols being Implemented consistently with support from Senior Staff.</p> <p>The Specialist Team take responsibility to the lunchtime clubs programs and involve JSC members in the organisation and implementation of the programs.</p>	Commences on the start of year Pupil Free day and is constantly reviewed through the year
Child Safe Standard 4 – Family engagement						
Risk Title: Families and community involvement Description: There is a risk that families and communities are not informed, and involved in promoting child safety and wellbeing Risk type: Organisational	<ul style="list-style-type: none"> Unwelcoming staff Lack of appreciation of the value of community consultation and engagement The school does not offer information to families and communities or avenues to contribute to policies and decisions relating to child safety and wellbeing Lack of staff training, culture or willingness to engage families and communities 	<ul style="list-style-type: none"> Child safety and wellbeing practices without input from families may result in practices that do not cover all the diverse needs of students, resulting in a risk that students do not feel safe or able to actively participate in school life (see Child Safe Standard 1 and 3) Families and communities not engaged in child safety at the school are less likely to be able to support the school to reduce risk by keeping an eye out for unsafe behaviours and raising concerns. Families cannot help students identify abuse Families do not support students who want to make a complaint If families lack awareness about child safety including risks of child abuse, children may be more vulnerable to being groomed by perpetrators seeking to obtain their trust. Physical and psychological harm as a result of child abuse 	<ul style="list-style-type: none"> Our Child Safety and Wellbeing Policy outlines the controls in place to engage families and is implemented All child safety and wellbeing policies and procedures are publicly available and promoted in the school community Families and the school community are invited to have a say in the development and review of child safety and wellbeing policies, procedures and practices through our school website and newsletters 	Yes	<p>Policies are reviewed according to DET requirements by School Council with an opportunity for input from staff and community.
